

## Women's Arts Association

# Be Inspired...

In celebration of our new *Keepsakes project* we are inviting women from all over the world to join us in creating flags that represent our dreams, memories, hopes and aspirations.

With help from our busy team of volunteers we will magic your flags into beautiful bunting, which will be publicly exhibited in cultural venues across Wales. The project will also be archived on the WAA website.

We're asking for a **payment of £5 per flag** in support of the *Keepsakes project*. WAA is working in collaboration with *St Fagans: National History Museum* to provide vital access to vibrant arts activity for women from diverse communities across Cardiff and Barry.

For more information about *Keepsakes* and WAA's work please visit the website [www.womensarts.co.uk](http://www.womensarts.co.uk)
